Dear Diary,

Today was a dream come true! I travelled in an aeroplane for the first time to meet my cousins in Mumbai. My heart was racing as the plane rushed down the runway and rose into the sky. From the window, houses looked like tiny toys and the clouds looked like cotton candy. The air hostess was very kind. When we landed, my cousins were waiting with big smiles. I will never forget this day!

See you tomorrow

Q2. Your best friend is leaving the school as her father is getting transferred to a different city. Write a diary entry about how you feel.

Dear Diary,

Today was one of the saddest days of my life. My best friend, Riya, told me that she is leaving our school because her father has been transferred to Pune. I could not stop my tears. We have been together since Class I and shared everything, from tiffins to secrets. I gave her a friendship band, and she promised to call me every week. I will miss her dearly, but we will always stay friends.

See you tomorrow
