Work3
Answer the following questions

1.   Why did RobinHood live in the forest?

Ans.Robin Hood, once a nobleman, lived in the forest because the king's cruel brother, theprince, had taken away the lands of all the noblemen who were loyal to the king.

2.   What was the prize for the archery contest?

Ans.The prize for the archery contest was a silver arrow.

3. Why did the sheriff dislike RobinHood?

Ans.The sheriff disliked RobinHood because he and
    his merrymen robbed from the rich and helped the poor.

3. Why did the sheriff plan the shooting contest?

Ans.The sheriff planned the shooting match to trick and capture RobinHood.

4. How did RobinHood manage to trick the sheriff?

Ans.RobinHood managed to trick the sheriff by wearing ared
Jacket to the contest instead of a green one. His merry men were also dressed in jackets of various other colours. This fooled the sheriff into thinking that Robin Hood and his men had not shown up at the contest.

5.Who was finally captured and how?

Ans.After winning the silver arrow. Robin Hood announced that he would shoot the arrow as far as it couldgo, and whoever found it could keep it. As soon as she shot the arrow, the sheriff's greedy guards ranoff, leaving him alone with the two archers. These two archers were actually RobinHood and onee of his men,disguised in red and blue jackets. Then and his merry Robinmen captured the sheriff and took him away to Sherwood Forest.
