Poem

How the Little Kite Learned to Fly

- A. 1. In these lines, 'he' refers to the little kite.
 - 2. 'He was frightened that if he tried to fly, he would fall to the ground.
 - 3. The big kite gave him the courage to rise.
- B. 1. The little kite was scared that he would fall down if he tried to fly.
 - 2. The big kite wanted the little kite to just 'try' because only if he tried would he be able to learn.
 - 3. The little kite was thrilled with pride. The clouds and the birds accompanied the two kites.
 - 4. a) scared, uncertain, doubtful
 - b) happy, confident, thrilled
 - 5. The little kite is daunted by the idea of flying, afraid to fall and hurt itself. Even after the encouraging words of the big kite, it is afraid to try. Though once it takes the first step, it feels more confident and rises through air, and soon it reaches the same level as the birds and clouds. The little kite teaches us that if we try, we will succeed.
