State Government	Central Government
Governs a single state or region	Governs the entire country
Chief Minister (Executive Head)	Prime Minister (Executive Head)
State Legislative Assembly (and Legislative Council in some states)	Parliament (Lok Sabha and Rajya Sabha)
Makes laws specific to the state, as per the State List	Makes laws for the entire country or as per the Union List
Works under the guidelines of the national government in some areas	Provide overall direction and support to states

3. Write a short note on democracy.

Democracy is the most popular form of government and is based on freedom and equality. In democracy, the power lies with the common man who casts his/her vote to elect the representatives. In other words, it is the government formed by our chosen representatives who

came to power because we elected them so that they can work for the welfare of the country. India is the best example of this form of government.

4. What is grassroots democracy?

Grassroots democracy is a type of democracy that focuses on decision-making at the local level where communities directly participate in the governance process. Grassroots democracy encourages citizens to participate in decisions that affect their daily lives. Through grassroots democracy, citizens can work together to improve their surroundings and solve local issues.
